## ARIZONA BOYCOTT CLEARINGHOUSE

# MISSION

Arizona Boycott Clearinghouse (ABC) is a coalition formed by Arizona-based civil rights, immigrant and community organizations, business partners, individuals and faith leaders that unites, informs, orients and mobilizes interested organizations and individuals to actions that lead to the reversal of Arizona's unconstitutional, unjust and immoral [SB 1070](#) law.

ABC will pursue its mission by:

1. Asking institutions to not hold any conventions, meetings or events in Arizona.
2. Informing the public about businesses that support [SB 1070](#) and its enablers so that their acts have an economic adverse effect on them.
3. Highlight businesses and institutions that oppose [SB 1070](#), so that they can be supported. Contact us with the name and contact information of businesses the community can support.
4. Educating individuals and, the local and global community on their human rights, particularly as affected by [SB 1070](#).
5. Encouraging and facilitating voter education and mobilization efforts.
6. Providing a uniting forum that exchanges ideas and suggestions for peaceful, non-violent, active resistance.
